

## PARTS LIST

| NO. | Description                           | Qty. | NO. | Description              | Qty. |
|-----|---------------------------------------|------|-----|--------------------------|------|
| 1   | Blade                                 | 1    | 29  | Spring                   | 1    |
| 2   | Tapping screw                         | 17   | 30  | Microswitch              | 1    |
| 3   | Locknut                               | 3    | 31  | Anti-self-locking button | 1    |
| 4   | Assembly bolt                         | 2    | 32  | Shift knob               | 1    |
| 5   | Connect cover                         | 1    | 33  | Spring                   | 1    |
| 6   | Connect wire                          | 1    | 34  | Left handle              | 1    |
| 7   | Flat washer                           | 3    | 35  | Aluminium tube           | 1    |
| 8   | Locking assembly                      | 1    | 36  | Handle seat assembly     | 1    |
| 9   | Flat washer                           | 1    | 37  | Rear aluminum tube       | 1    |
| 10  | Assembly bolt                         | 1    | 38  | Connect wire             | 1    |
| 11  | Self-plugging rivet                   | 2    | 39  | Connect wire             | 1    |
| 12  | Locating pin                          | 1    | 40  | Connect wire             | 1    |
| 13  | Left handle decorative cover          | 1    | 41  | Right female socket      | 1    |
| 14  | Left housing                          | 1    | 42  | Left female socket       | 1    |
| 15  | Battery pack plug-in seat left cover  | 1    | 43  | Tapping screw            | 1    |
| 16  | Battery pack plug in seat             | 1    | 44  | Rubber sleeve            | 1    |
| 17  | Battery pack plug-in seat right cover | 1    | 45  | Magnetosphere            | 1    |
| 18  | Right housing                         | 1    | 46  | Left handle              | 1    |
| 19  | Right handle decorative cover         | 1    | 47  | Blade                    | 1    |
| 20  | Burshless controller                  | 1    | 48  | Belt                     | 1    |
| 21  | Fixed ring                            | 1    | 49  | Motor assembly           | 1    |
| 22  | Assembly bolt                         | 1    | 50  | Grass trimmer assembly   | 1    |
| 23  | Belt seat                             | 1    | 51  | Hex socket bolt          | 2    |
| 24  | Corrugated pipe                       | 1    | 52  | Self-plugging rivet      | 1    |
| 25  | Bolt                                  | 1    | 53  | Protective cover         | 1    |
| 26  | Right handle                          | 1    | 54  | Front aluminum tube      | 1    |
| 27  | Lamp cover                            | 1    | 55  | Box wrench               | 1    |
| 28  | Transparent sheath                    | 1    | 56  | Allen wrench             | 1    |
